Day 3 Report: August 22, 2024

Team Members

Talha, Omaima, and Tayyaba

1. **Talha's Contributions:**

   o **Gallery and Reservation Pages**

   Talha completed the gallery and reservation pages. He made design changes, matched colors, and made sure everything looked good. He also shared the updated code with the team.

2. **Omaima's Contributions:**

   o **Contact and About Pages**

   Omaima finished the contact and about pages. She improved their design and functionality, making sure they fit well with the rest of the site. She also shared the updated code with the team.

3. **Tayyaba's Contributions:**

   o **Services and Home Pages**

   I worked on the services and home pages. I made sure they are functional and visually appealing. I also shared the updated code with the team.

Summary

Today, Talha finalized the gallery and reservation pages, and shared the code. Omaima completed the contact and about pages, and shared her code as well. I finished the services and home pages, and shared my code. The team's combined efforts have moved the project forward effectively.
